SIX MONTHS AND GOING STRONG

After six months at our new location, we're ready to call the move to a larger facility a success. Even though the move coincided with the WGA strike, Monkeyland has managed to stay busier than ever, with both feature and TV sound work keeping our rooms and staff hopping. On the feature side, we did complete sound packages for four Sundance entries: AMERICAN SON starring Nick Cannon (recently picked up by Miramax) as well as PRETTY BIRD, with Paul Giamatti and Billy Crudup, the air drumming comedy ADVENTURES OF POWER; and THE WIND AND THE WATER, the first Panamanian film ever to screen at Sundance.

Following the Sundance rush, Monkeyland packaged sound for action movies LOST BOYS: THE TRIBE (Warner Brothers), and STARSHIP TROOPERS: MARAUDER (Sony). Currently, there's a full slate of horror and sci-fi titles, including ANACONDA 3, PULSE 2, FEAST 2, INFESTATION, and SPLINTER.

Right around the corner are Hilary Duff's GRETA, ANACONDA 4, PULSE 3 and two music-themed titles, ROCKABILLY BABY and BUDDY GILBERT COMES ALIVE. Also on the slate are the follow up to the Ryan Reynolds hit STILL WAITING... and the movie adaptation of Lisi Harrison's best selling novel THE CLIQUE.

On the TV side of things, recent projects included JERICHO, HEROES, MISS GUIDED, NEW AMSTERDAM, GREEK, KYLE XY and reality series THE BACHELOR, THE BACHELORETTE and WORKOUT 3. In addition to two theatrical-sized, Dolby approved dub stages, two full-sized ADR stages and a dedicated Foley stage, Monkeyland now features three rooms designed for television and promos, where spots for DEADLIEST CATCH, PLAYHOUSE DISNEY, AMERICAS PSYCHIC CHALLENGE, VIVA HOLLYWOOD, STARGATE ATLANTIS, HIGHSCHOOL MUSICAL 2 and various other promos for LIFETIME, SOAPNET, FX and ABC/DISNEY were mixed.

If you haven't had an opportunity to see our new facilities, please contact Maggie Malyn @ 818.553.0955 or maggie@monkeylandaudio.com to arrange a tour. Also be sure to check out our new and improved website at www.monkeylandaudio.com, with added features including Monkey celebrity pics, Rob's Blog, and a video section!

Looking forward to another great six months ahead of us,

Your Friends At Monkeyland.
