

Turn it in.com Register

1. Go to the website: <http://www.turnitin.com>
2. Click on the link to Create a New Account:

A dark-themed login and registration bar. It contains a 'Login' label, an 'Email' input field, a 'Password' input field, and a red 'Sign in' button. Below the 'Email' field is a blue link 'Create account' which is circled in orange. Below the 'Password' field is a blue link 'Retrieve password'.

3. Your teacher will give you a Class ID and Class Enrollment Password. Enter those here:

Class ID:

Password:

4. Click on the section to Create A User Profile in the New Student Section:

New students start here

1. Your instructor gives you a **class ID** number and a **class enrollment password**.
2. [Create a user profile](#). You'll need the class ID and enrollment password to enroll in the class.
3. For more information, watch the "[creating a student user profile](#)" video.

5. (This section might appear if you are using a public computer. If it doesn't appear, proceed to step 6) The next section will ask if you have used Turnitin.com before. You haven't, so click on the link to create a new student account:

Create a New Account

Please select whether you will be using the service as an instructor or a student.

- [student](#)
- [instructor](#)
- [teaching assistant](#)

6. Enter the Class Id and Password you were given by your teacher (as in Step 3).

class ID

class enrollment password

7. Enter user information:

user information

your first name

your last name

email address

8. Enter a password. The password should 6-12 characters and have both letters and numbers. Also enter a secret question and answer in case you lose the password.

enter your password

confirm your password

Next, please enter a secret question and answer combination. You will be asked for this combination if you ever forget your password and need to reset it.

secret question

question answer

9. Agree that you over 13 and that you abide by the terms and you have a new account:

- ☒ I am at least 13 years of age
☐ I am under 13 years of age

I agree -- create profile

Using turn-it in:
