

CHC 2P – Canadian History Since World War I

Unit One Project Choices

Throughout our study of this unit, you will be working toward completing two projects to demonstrate your understanding of Canada's experience in WWI.

You will complete 2 out of the following 3 project choices:

1 – Journals from the Front

2 – Technology Report Card

3 – WWI Poster

You will have several periods to work on your projects in class. We have the computer lab reserved on the following dates:

Monday February 13

Friday February 17

Friday February 24

Monday February 27

Friday March 2

Thursday March 8

Effective use of lab time is critical to your success for these projects. Alternative arrangements will be made if you are unable to stay focussed on your work during lab periods.

Your projects will be due at the end of the day on Thursday March 8 – the last day before March Break starts.

You can submit a paper or a digital copy of your project. My e-mail address is ashlkroo@fc.amdsb.ca
